

The ABC of Iowa Apprenticeship & Training Trust receives grant money from the Iowa Economic Development Authority (IEDA) to help increase the number of apprenticeship students as part of a larger effort to combat the workforce shortage facing Iowa's construction industry. BY IEDA rules, the grant money is based on the number of apprentices in our program who are registered with the US Department of Labor through the ABC of Iowa Trust. For the sixth year in a row, the ABC of Iowa Apprenticeship Trustees have voted to keep tuition lower than our actual hard costs thanks to the IEDA grant. For the 2022-2023 school year, per person tuition has been reduced by the Trustees from \$1,450 to \$900. The reduced tuition is only available to DOL registered apprentices.
